General information

When dropping off your child early for breakfast please ensure you drive carefully in the school car park. With a number of children arriving we want to make sure everyone is kept safe. Staff are also arriving at that time for school so if you have older children we would appreciate it if you could park on Firs Road.

If it is your child's birthday you are very welcome to bring in cake. We enjoy making the children feel special on their birthdays. Additional healthy food items are always welcome at snack time as well.

Website and Tapestry

We have updated our website and now write a weekly blog about what the children have been doing at preschool.

Please take a look – www.alderburypreschool.org

Your child's key person is regularly putting observations and home learning opportunities on to your child's online learning journal. If you are new to the setting we would appreciate you completing the 'All about me' page on your child's record in order to help your key person learn more about your child. If you have lost your password please let us know.
